ACHIEVE MORE TOGETHER AS A TEAM

Youth Basketball Leagues

When kids play sports, they get more than just exercise. Besides being physically healthier, they have higher self-esteem and a healthier body image. Kids who play sports perform better in school, develop better interpersonal skills, and work better in groups.

The Y's Youth Sports program maximizes the positive effects of playing sports by emphasizing healthy competition and promoting teamwork. The Y focuses on the life lessons that can be learned from sports, and coaches strive to instill a positive self-image in each player. Most importantly, in the YMCA league, everyone plays and everyone wins!
